

Because Things Go **Bump** in the Night

Cabinet doors close quietly with

Quietex™
soft/quiet bumper

Cabinet doors should be seen, not heard... Quietex bumpers absorb shock and minimize noise thanks to a revolutionary new sound-trapping design. And long life is assured by a thick, urethane base

Patent Pending

that prevents over-compression.

Laboratory sound tests confirm it... Quietex outperforms every other bumper on the market. Call today for more information or visit our web site.
